

AnimatekaPRO

6.–8. december, 10:00–14:00, Stara mestna elektrarna – Elektro Ljubljana/Old Power Station, Slomškova 18

AnimatekaPRO je festivalska platforma, na kateri se bomo skozi serijo predavanj, okroglih miz, tematskih predstavitev in pogovorov z avtorji seznanili, kaj vse se ta trenutek v svetu dogaja na področju animiranega filma in video iger. Spoznali bomo projekte v nastajanju, nove koprodukcije in tehnološke novosti.

V sodelovanju z zavodom Bunker, Centrom ustvarjalna Evropa v Sloveniji, Motovilo in Društvom slovenskega animiranega filma.

AnimatekaPRO is a festival platform featuring a series of talks, round-table debates, presentations and Q&As to inform about the latest in animated cinema and video games. You can find out about works in progress, new co-productions and technological innovations.

In collaboration with Bunker, Creative Europe Desk Slovenia, Motovila, and the Slovenian Animated Film Association.
